

GENERATOR PARTS

Sierra Generator Parts “The Opportunity”

Generator Parts Overview

- Dealers that perform maintenance repairs (impellers, oil changes, thermostats, filters) will also perform these services on generators.
- Sierra offers 132 common replacement maintenance parts for generators.
- Parts focus is on the “Big 3” in the market; Westerbeke, Kohler and Onan.
- Generator parts begin with “23-” as opposed to “18-”
- Backed by Sierra Limited Lifetime Warranty
